## Know Your Location Case Study: Northeastern Canada/USA

**Wednesday, May 14, 2025**

Knowing your ancestors' place and time is key to not only focusing your family history research but also uncovering rich details about the various communities where they lived. Using Northeastern Canada bordered by Upstate New York as a case study, learn about how to create your own locality guides. Examples will illustrate "must-haves" in your guide including historical context, geography, online and offline records, and repositories.
