## Filling in Those Pesky Blanks: Solving Maternal Surname Mysteries

**Wednesday, October 8, 2025**

Presented by Kate Penney Howard

**WANTED:  
Last Name**

We all have that ancestor with a first name, but no family name. When traditional genealogical techniques fail to turn up an answer, we can turn to DNA to find more opportunities to discover clues.

Bring your favorite note-taking tools and come away with a worksheet created to help you address your own brick walls.
