

Collin County Genealogical Society

Join our unique, collaborative learning experience
to explore technology-driven genealogy.

All skill levels welcome!

Saturday, January 24, 2026 @ 11:00AM

AI in Genealogy

We'll explore the latest AI has to offer for genealogy and family history through use case scenarios using chatbots, software and online genealogy services. Transcription, translation, story generation, DNA match relationship analysis and more...

Bring copies of your documents, or photos and see what AI can do!

In-Person:

Haggard Library Genealogy Center (*lower level*)
2501 Coit Road, Plano, TX 75075

Zoom: (*Registration required*)
