Collin County Genealogical Society

Committed to helping all researchers discover their roots by:

- ❖ **Presenting educational programs on a wide range of topics from Internet research, research methods, DNA testing to teaching the time-honored standards of "citing sources", judging reliability of "evidence", and discovering techniques for finding that elusive ancestor.**
- ❖ **Providing workshops and seminars.**
- ❖ **Recording, preserving, and publishing Collin County records of interest to genealogists including, marriage books, digitized historical newspapers and city directories.**
- ❖ **Supporting the Plano Public Library Genealogy Center collections through purchases and donations of books and materials that aid in genealogical research.**
